Dear Member of the Terrace Community

Terrace Cardinals and QBE Insurance

This letter is to gain your support for a wonderful opportunity to raise funds for the students of Terrace. By simply changing your Compulsory Third Party Insurer to QBE the College benefits.

As you would be aware vehicle owners can nominate their Compulsory Third Party insurer. CTP Insurance is mandatory when you register a vehicle and the cover provided is established by Statute.

If you are aged 28 years or older and your car, 4WD, utility is less than 13 years old, and you agree to change to QBE, QBE will make a \$22.50 donation to Terrace with a loyalty payment of \$12.50 per year following the initial transfer to QBE. In real terms if 200 vehicles are transferred to QBE in the first year \$4,500 will be raised for the College.

The transfer of CTP could also apply to business vehicle fleets or groups of your friends.

To change the CTP insurance for your vehicles please fill in the form on the reverse of this document. Participation in this offer is entirely voluntary and is up to individual members of the Terrace community to accept. The other important and convenient nature of the offer is that a Nomination Form can be completed now with monies being transferred to the College at the time of your registration renewal.

Principal, Mr Peter Chapman has endorsed this fund raising initiative for the College and sees it as an excellent opportunity to raise additional funds from non traditional sources.

Please, I urge you to nominate QBE as your insurer and allow Terrace to obtain a significant benefit.

Your anticipated support with this fund raising initiative for the College is greatly appreciated with any queries in relation to this offer directed to Mr Kingsley Fraser at QBE on 3031 8508 or Tyron Mandrusiak at the college 3214 5274.

Yours sincerely
